

OUT OF THE FRYING PAN AND IN TO THE FIRE!

End Times newsletter
October 2020

.....

We are now remarkably close to the Rapture as darkness, fear and depression has descended in the UK through the Covid19 spread and the resultant draconian Regulations being introduced. The deception of the Church through Woke ideology, continues giving rise to confusion, division and then destruction. (John 10:10 *"The thief comes only to steal and kill and destroy; I have come that they may have life and have it to the full."* **NIV** God is not the author of confusion (1 Corinthians 14:33) *For God is not a God of disorder but of peace—as in all the congregations of the Lord's people.*

God is clearly using the fear and panic caused by Covid19 and the UK Government Regulations to drive unbelievers (and the Church) to Him, the author and perfecter of our faith. He is doing this through the spirit of lawlessness, deception and lies underway and the emergence of a totalitarian control over lives, even, for the moment, in a Liberal Democracy like ours.

Those who reject Christ and turn their back on God will find that they have jumped from the 'frying pan into the fire' – the fire being the lake of eternal fire that awaits the devil and all unbelievers following the Great White Throne Judgement (Revelation 20:11-15). In the natural, just leaving the EU and then coming under the control of the One World Government is akin to jumping from the frying pan into the fire. This was the revelation that God gave me in answer to prayer this week. In this Issue we consider the spiritual reality of where we are resulting from Covid19 and the new Woke culture. What awaits us if we don't say NO to vaccination. We conclude with Paul's testimony to the Philippian Church (3:7-11)

MINISTRY OF THE TRUTH

Paul's Hardships: 2 Corinthians 6:3-12

³ We put no stumbling block in anyone's path, so that our ministry will not be discredited. ⁴ Rather, as servants of God we commend ourselves in every way: in great endurance; in troubles, hardships and distresses; ⁵ in beatings, imprisonments and riots; in hard work, sleepless nights and hunger; ⁶ in purity, understanding, patience and kindness; in the Holy Spirit and in sincere love; ⁷ in truthful speech and in the power of God; with weapons of righteousness in the right hand and in the left; ⁸ through glory and dishonour, bad report and good report; genuine, yet regarded as impostors; ⁹ known, yet regarded as unknown; dying, and yet we live on; beaten, and yet not killed; ¹⁰ sorrowful, yet always rejoicing; poor, yet making many rich; having nothing, and yet possessing everything.

¹¹ We have spoken freely to you, Corinthians, and opened wide our hearts to you. ¹² We are not withholding our affection from you, but you are withholding yours from us.

The work of Truth (Jesus prays in Gethsemane): John 17

¹⁷ Sanctify them by the truth; your word is truth.

We know that Jesus is the Way, the Truth and the Life (John 14:6) and we also know that the Holy Spirit is given to lead us into all truth (John 16:13). It is the truth that sets us free. Conversely the devil is the father of lies and we must guard against being misled by lies and deception. On the one hand there are lies that people tell every day, some premeditated and others out of fear or ignorance. These Jesus can deal with through prayer, counsel, and example. On the other hand,

there are the corporate lies which are more difficult to deal with because in the natural we would have to prove the lies and show that we had suffered some hurt or loss from them to be able to change behaviour through the courts. Worse still are the lies and deceptions that are intended to influence belief, lifestyle, behaviours, and friendship. These lies strike at the core of a nation and its people and whilst are 'in the natural sphere of human activity, have a serious and potential fatal outcome spiritually, because such deception comes from the father of lies (the devil – John 8:44) and is always intended to separate us from God's love in Jesus Christ. In his second letter to the Thessalonians, Paul writes these words about the enemy sowing lies and confusion in the world, ⁷ *For the secret power of lawlessness is already at work; but the one who now holds it back will continue to do so till he is taken out of the way.* ⁸ *And then the lawless one will be revealed, whom the Lord Jesus will overthrow with the breath of his mouth and destroy by the splendour of his coming.* ⁹ *The coming of the lawless one will be in accordance with how Satan works. He will use all sorts of displays of power through signs and wonders that serve the lie,* ¹⁰ *and all the ways that wickedness deceives those who are perishing. They perish because they refused to love the truth and so be saved.* ¹¹ *For this reason God sends them a powerful delusion so that they will believe the lie* ¹² *and so that all will be condemned who have not believed the truth but have delighted in wickedness.* (2 Thessalonians 2:7-12 NIV)

That is why in this edition I make no apologies for starting with a warning about the liberal, Marxist media and particularly the BBC, who are 'going about their 'father's' business'.

Ministry of lies and NOT the truth.

Melanie Philips writes on 15th September in her on-line blog, *"One of the many paradoxes about our frightening culture wars is that western society, which constantly congratulates itself on being the acme of rationality and freedom, has in fact abandoned reason for emotion and freedom for coercion.*

We can see this on display all around us. It's in the baleful grip of identity politics, based on the dogma that people's feelings trump objective truth. It's in the witch-hunts against ideas or opinions which dissent from approved left-wing positions. It's in the widespread following for loopy conspiracy theories, whether against the Jews or politicians said to be inflating the dangers of Covid-19 purely to seize control of people's lives. It's in the widespread support for Black Lives Matter as an "anti-racist" cause, whereas it is in fact an anti-white, anti-west revolutionary movement. It's in the widespread support for Extinction Rebellion as a

campaign to "save the planet" from man-made global warming, whereas in fact there's no reputable scientific evidence that anything is happening to the climate that diverges from warming and cooling patterns over the millennia while Extinction Rebellion is an anti-west, anti-capitalist revolutionary movement. And so on, and on."

Recently I have been reading some in-depth articles about Cultural Marxism and books about the BBC Marxist ideology which has driven their thinking, their political commentating, their production of school education material and, of course, the news and current affairs programmes.

SIR ANTONY JAY was a founder-producer of the BBC nightly topical television programme Tonight in 1957 and was Editor from 1962 to 1963. He became the BBC's Head of Talks Features in 1963 before resigning to go freelance in 1964. In 2007 he wrote a booklet about his time at the BBC entitled **"Confessions of a retired BBC Producer"** (ISBN: 9781905389605) that was published by Centre for Policy Studies. His opening paragraph gives a big clue as to why he wrote the booklet. In it he writes *"what is behind the opinions and attitudes of what are called the chattering classes? They are that minority characterised (or caricatured) by sandals and macrobiotic diets, but in a less extreme form found in The Guardian, Channel 4, the Church of England, The Observer, academia, show business and BBC News and Current Affairs, based in Islington, Hampstead and Notting Hill, who constitute our metropolitan liberal media consensus, though the word 'liberal' would have Adam Smith rotating at maximum velocity in his grave. Let's call it "media liberalism"*

Anthony Jay's exposure of the BBC's cultural Marxism and general distaste of capitalism, profit, patriotism, authority, religion and the armed forces is just one of many similar exposés. Recently, Esther Rantzen had a public spat with the BBC about its new salary scales, and in particular Gary Lineker over his twitter outburst involving abuse, hate, offensive language and slander, against President Trump. (Daily Express 15th September, Metro & Evening Standard- 14 September). In his book **"The Noble Liar"** (How and Why the BBC distorts the news to promote its liberal agenda), Robin Aitken, himself a former BBC journalist and BBC employee for 25 years, comments that "The BBC sees itself as a profoundly moral enterprise, BBC people believe in the fundamental goodness of the institution". This is part of the definition of **CULT**. The BBC

has a zero-tolerance policy towards 'wrong thinkers' as BBC think is 'right think'! Anyone not conforming is quickly seen off, even well-known and respected former employees like Robert Kilroy-Silk and the late naturalist David Bellamy, plus Nigel Farage, Katie Hopkins, Marine Le Pen, President Trumps base – 63million people, and 'Little Englander' 17.4million Brexit supporters.. The BBC cult is a 'hard cult', according to David Sedgwick in his book "**BBC: Brainwashing Britain?**" Possibly Andrew Marr sums it up when he was describing the make-up of the modern corporation, he said "*The BBC is not impartial or neutral. It's a publicly funded urban organisation with an abnormally large number of young people, ethnic minorities and gay people.*" As David Sedgwick comments wryly '*The young, the gay and ethnic minorities – right wingers to the very core....*' The BBC has been left wing since it was led by Sir Hugh Carleton Greene from 1960-69. He joined the BBC in 1940 and was an expert in propaganda during the war and, in his own words 'a psychological warrior'. In his treatise on the BBC mission, Greene wrote "*The task of psychological warfare is to impose your own view of the situation on the enemy and then lead the enemy to behave in the way you desire*". Enough said but we may properly surmise that we have been and are continuing to be brainwashed by the BBC as part of the Globalist plan under the control of the antichrist. The BBC is enthusiastic for anything that breaks societal norms which it calls 'gender stereotyping'. According a BBC documentary there are 'no more boys and girls'. In summary we can say that everything the Christian gospels and the teaching of Jesus have given to this nation are under a remorseless attack from the BBC and its media pals, the Guardian, the Times and FT, Channels 4 & 5 and in USA, CNN.

Robin Aitken also gives very contemporary examples of how the BBC's so-called impartiality was called into question. Regarding the election of Donald Trump as the 45th President of the USA. He writes, "*Trump's victory posed the sternest possible test for the BBC's doctrine of impartiality because Trump represents all that the BBC most dislikes. After the cerebral, cool, progressive Obama – a man very much to the BBC's liking – Trump challenged the BBC's world view in the most obvious ways: he rejected the consensus on anthropogenic global warming (a theory that the BBC has elevated to a status beyond challenge, he made disparaging remarks about foreigners, talked of building walls to keep Mexican immigrants out and said he*

wanted to restrict Muslim immigration to the US. And because Trump's position on all these matters ran counter to the BBC's deepest instincts, it was inevitable that the Corporations vaunted impartiality would be put to the test."

On 22nd September this year, the Government (? i.e. someone!!) introduced "Unconscious Bias Training" for MP's. that, although it has existed since 2016 in the Commons, is now intended to combat 'racism'. This training has nothing to do with racism but everything to do with the 'Woke' culture. It is cultural Marxist training and it's not intended to address racial prejudice. It is intended instead to coerce conformity with approved attitudes — in this case, the anti-white racism of Black Lives Matter, which BLM uses to further its openly-stated agenda of undermining and overthrowing western society. The news (not saying that it is good news) is that 40 Conservative MP's have seen the light and refuse to participate. They can see that their party, our Government, has become in thrall with 'Woke' thinking and views and is jettisoning everything that Conservatism has stood for over the years.

It might help us to see how this ideology which spawned the term "Woke" is so interrelated across the western world. I hope that the following diagram will help. (any errors or omissions are entirely mine as I cannot claim any infallibility or 'group think' on this!)

I have placed "Woke" at the centre because I believe that it is subtended by the embedded cultural Marxism in US, UK and EU, but in turn expresses itself in various behaviours, ideologies, creeds and judgements, all of which are well embedded in our Media, parts of Government and the Church.

In the July Newsletter we considered the development of Woke. The Cambridge English Dictionary defines *woke* as the awareness of social problems such as racism and inequality (<https://dictionary.cambridge.org/dictionary/english/woke>). We thin and on top of this, there is a strong element of political correctness, freely exploited by the overtly Marxist-inclined BLM movement (<https://blacklivesmatter.com>). Woke screams victimhood and demands that people pay.

WOKE IDEOLOGY (the 'progressives')

Ideology:

Anti-caucasian/anti-capitalism/anti-industry/anti-profit/anti-patriotism/anti-monarchy/anti-authority/anti-religion/anti-capitalism/antichrist.

Public enemies: White heterosexual males & Christian families

Tools of the 'progressives': (i) Mass migration/multi-culturalism & immigration, (ii) support for minorities e.g. ethnic groups/cultural groups/religious groups/Islam & cults/sexual minorities i.e. LGBT, Transgender, radical feminists & non-binary and transsexual. (iii) grievance and identity politics

Marked by:

Intense Peer pressure/ views on everything/Elite domination and marginalisation of dissidents

How interesting that on 18th September Christian Concern Weekly News asked the question, Is LGBT ideology acting like a cult?

The report says that when members of cults leave their group, they are often 'unpersoned'. Some cults take this to extremes, even executing former members. Others use tactics of shunning, harassment or intimidation. But it can be equally common to ignore or pretend former members don't exist. Mike Davidson (Core Issues Trust) made the comparison in an interview with the Hidden Truth Show. And it's hard to see how he's wrong. Those whose stories don't fit the 'born gay' or 'truly trans' ideology are ignored at best and harassed or 'deplatformed' at worst. Except this cult is not some fringe group living in the shadows. It's a dominant force in our institutions. Barclays Bank is the major Pride in London sponsor, leading it to unilaterally shut Core Issues Trust's bank accounts. Although many testimonies exist of people who've moved away from same-sex desires or behaviours, or who've 'detransitioned' from a transgender identity, you'd hardly know it from the BBC or many other 'mainstream' news sources. It's also not just ex-gay or ex-trans people this affects. This 'cult' seeks to intimidate pastors like Josh Williamson and Keith Waters. It pressures or 'deplatforms' high-profile people who show resistance. And it forces people out of jobs who don't conform.

Could it be that the sexual revolution has replaced Jesus and his good rule with a complete freedom of sexual expression? Is alternative sexuality acting like a bad religion because it is one? Here on display is the marginalisation of all who don't agree with the Cultural Marxist views.

THE TRUTH ABOUT SARS-COVID2 – CORONAVIRUS

Whilst most of us would acknowledge the reality and existence of the Covid19 virus and the pain and suffering of those who have suffered or died from it. The problem that we have is to know if we should believe the Government and Media campaign that is now telling us that we are in a 'Second Wave'.

The 'Pandemic' ended on 6th May 2020 in the UK and most European Countries. This position has been taken by many virologists, scientists and doctors as well as by Christian Voice and this newsletter. There is NO second wave, the claim is not true. So, what is the truth? Ivor Cummins outlines all the science, data and analysis in his YouTube report Viral Issue Crucial Update Sept 8th: The Science, Logic and Data Explained! <https://youtu.be/8UvFhIFzaac>

if you have a problem with YouTube then try his web site <https://www.patreon.com/IvorCummins> and choose the Viral Issue Crucial Update from there! His reports may not be available for long as it challenges and

debunks all Government scientific advice and Regulations re Covid19 for example lockdown, masks and vaccination. In other words, he proves that it is a deception and not truth.

Ivor Cummins BE Chem, CEng MIEI completed a Chemical Engineering degree at UCD in 1990. He has since spent over 25 years in corporate technical leadership and management positions and was shortlisted in 2015 as one of the top 6 of 500 applicants for "Irish Chartered Engineer of the Year". He is a top health officer in Dublin.

In the USA it has now been proved that the statements regarding Covid19 made by **CDC** (Centre for Disease Control) are a lie. They, in the words of a number of experts, have 'cooked the books'. For example, only in 6% of cases of death in the US has Covid19 been the cause. Of the other 170,000 deaths in the USA (1st September) there were between 2 and 6 other causes of death. In other words, 94% had other fatal or debilitating illnesses. Interesting that one of Bill Gates favourite books is called "How to lie with statistics"! It goes without saying that we pray for those with Covid19 and their families along with all those who are still waiting for elective procedures in hospital following the March – June lockdown. We must still pray for all those who are struggling with illness and might have difficulty in accessing NHS treatment because of this 'Second Wave'.

It is vital that we are informed with correct facts about this Virus so that we can both pray and take up issues of justice and truth with the Government. The prevailing narrative about Covid19, Vaccine development, second waves and Project Fear are being challenged more and more frequently. New facts are emerging that challenge the original narrative about the origin of Covid19 as the virus was known of by the authorities before December 2019. For example, Pastor J D Farag has found evidence of EU, USA and UK orders for PEP, testing kits, masks etc in 2018, indicating that they all knew then that this virus would hit the world. He even found that a vaccine was ordered at the same time, what that was or its efficacy no-one seems to know, but such evidence challenges the official narratives of CDC, Governments and University research and modelling!

MHRA
Regulating Medicines and Medical Devices

The Government want to distribute an unlicensed Covid19 vaccine or vaccines through unspecified companies and have made provision for civil liability and expanding an untrained workforce to administer vaccines! We know how that went for the “Track and Trace” app!. (the joke is on us because by making us download the App. We automatically are under surveillance by the Network masts who collect the data and store it for other interested parties!).

They quietly brought this before the House on 10th September for approval and have issued a Consultation and invite responses **by Friday 18th September 2020. By the time you read this all this will have happened, and changes will have been made to the Human Medicine Regulations 2012.** The Secretary of State James Brokenshire brought it to the house only hours after it had been drafted. After the 18th September, the Government will say that it consulted on these Regulations and that it is all now law. I think that it doesn't matter what objections, criticisms or amendments have been tabled because in their haste to put all this into place for the “Great Reset” the public will be ignored in the interests of the Global Elite's plan led by the antichrist. If you wish to read more about this Consultation and the Covid19 ‘Second Wave’ then visit <https://www.christianvoice.org.uk/> for Stephen Green's excellent articles.

The Consultation period was very short. There were just five blocks of questions to respond to. These reveal much about the direction of travel by the Government and Big Pharma. For

details visit <https://www.gov.uk/government/consultations/distributing-vaccines-and-treatments-for-covid-19-and-flu/consultation-document-changes-to-human-medicine-regulations-to-support-the-rollout-of-covid-19-vaccines>

And <https://www.gov.uk/government/consultations/distributing-vaccines-and-treatments-for-covid-19-and-flu>

The five areas for consultation were: -

1. Temporary authorisation of the supply of unlicensed products'
2. 'Civil liability and immunity'
3. 'Expansion to the workforce eligible to administer vaccinations'
4. 'Vaccine promotion' and
5. 'Provisions for wholesale dealing of vaccines'

Many of us responded to this Consultation as other Christians alerted us to the closing date. I cannot find anything from the British Church leadership on this or 'The Coronavirus (Retention of Fingerprints and DNA Profiles in the Interests of national Security) (No2) Regulations 2020' SI No 973 both of which are of paramount importance to the Freedom of UK citizens and our rights under the Human Rights Act.

Medicines are licensed in the UK by the Medicines & Healthcare products Regulatory Agency (MHRA). Furthermore, from 31st December the UK will be on its own and not subject to additional EU regulations on medicines.

Stephen Green reports "The MHRA is a quango, an 'executive agency', of the Department of Health and Social Care. Its chairman is Stephen Lightfoot. He succeeded Prof Sir Michael Rawlins GBE only this month. Sir Michael held the post for just under six years. MHRA chairmen seem always to be knighted after a year or two in the job.

MHRA Board's vaccine company shareholders include the new chairman, Mr Lightfoot himself, who is a shareholder in giant vaccine manufacturer Glaxo Smith Kline. Two other members, Amanda Calvert and Anne-Toni Rodgers are shareholders of AstraZeneca Pharmaceuticals, another huge vaccine manufacturer. (How's that for impartiality, probity and integrity?)

The BBC now reports that AstraZeneca is planning to make two billion doses of a coronavirus vaccine. It's CEO, Pascal Soriot, said manufacturing was beginning already because, 'we want to be as fast as possible'." The Government, however, now says that a UK vaccine will not be available until 2021. This is partially true because of problems with the clinical trials but also because the Global Elite need more time to brainwash people into thinking that they will not survive without a vaccine (as previous newsletters have explained in detail). To do this they need their cheer leaders in the UK, the BBC and the Guardian plus other left-wing media outlets, to carry fake news reports and produce frightening documentaries.

Finally, on this subject, for the moment,

Fierce Pharma reports AstraZeneca has done a deal 'with Chinese firm BioKangtai to help provide its adenovirus vector-based COVID-19 vaccine candidate'. This is the vaccine 'created by the University of Oxford'. **That's the vaccine** whose study was recently temporarily put on hold owing to an 'adverse reaction' and which, by all accounts, is not following international standards for testing.

AstraZeneca themselves claim to be about to 'supply Europe with up to 400 million doses of Oxford University's vaccine at no profit.' (must be making their money out of UK sales to gullible NHS and Government procurement zsars??)

Luciferase Immunoprecipitation System (LIPS) assay is a rapid, simple, and sensitive test to detect antibody response to respiratory syncytial virus (see later quotes from Dr Carrie Madej)<https://www.fda.gov/vaccines-blood-biologics/science-research-biologics/luciferase-immunoprecipitation-system-lips-assay-rapid-simple-and-sensitive-test-detect-antibody>

U.S. Food and Drug Administration - Luciferase!

Researchers at the U.S. Food and Drug Administration (FDA) have developed a simple, rapid, and sensitive test that identifies individuals who have made antibodies against respiratory syncytial virus (RSV), the most common cause of serious lower respiratory tract infection in infants and young

children worldwide. RSV also affects many elderly individuals, especially those with underlying heart or lung disease, accounting for nearly as many hospitalizations as influenza.

The development of the new assay is important because it could be a valuable tool for assessing the efficacy of RSV vaccines during clinical trials since it can help to identify individuals infected with RSV following a winter season. Since many of the current candidate vaccines contain or express only one or a few of the proteins found in the virus, antibody responses to non-vaccine RSV antigens can serve as a marker of exposure and infection in subjects given these vaccines.

An important advantage of the new test, called a Luciferase Immunoprecipitation Systems (LIPS) assay, is that it is less complicated and easier to perform than other assays now available. Moreover, unlike some currently used tests, it readily differentiates immune responses against the two major subtypes of RSV, RSV-GA and RSV-GB.

The LIPS assay detects antibodies against G glycoprotein, (G protein), a molecule that occurs on the surface of the virus. To develop the assay, the FDA scientists genetically engineered RSV G proteins from both subgroups. They tagged each G protein with luciferase, an enzyme that interacts with a protein called luciferin to release light. (See later extract from Dr Carrie Madej speech to Trafalgar Square Protest on 19th September)

National Security

As mentioned above, the Government has quietly issued new Regulations made in the interests of National Security, called "The Coronavirus (Retention of Fingerprints and DNA Profiles in the interests of National Security) (No2) Regulations 2020 citing the Terrorism Act, The Police and Criminal Evidence Act 1984 as its reason. The Regulations come into force on 1st October 2020. As DNA is collected as part of T&T and at ports and airports, this is clearly an extension of the data base by the 'back door' and has nothing to do with the Virus. How fingerprints come into this has yet to be seen, but new controls are due to be announced and it looks as if yet more

infringements of Human Rights will take place, limiting even further our freedoms. The Regulations were laid before Parliament at 4pm on 10th September and went through without any debate. Such is the extent of 'Democracy' now in the UK.

WHEN IS A WAVE NOT A WAVE? (Government ministers do not understand the question!)

The Government in its justification for the Consultation above, begins by claiming: 'COVID-19 is the biggest threat this country has faced in peacetime history...'

Many of us beg to differ. It isn't just Christians but many scientists, doctors, engineers, epidemiologists and virologists as well, many of whom are world renowned. (See May newsletter). We have had worse post-war influenza epidemics. But the absurd, destructive lockdown has been the biggest threat this country has faced not just in peacetime history but for over 300 years. And it is threatening every part of the fabric of this nation. Worse still the left wing media cheer the Government on in its 'woke' knee-jerk responses to events in Israel, USA, whilst capitulating to Iran (the leader and financier of international terrorism) and leaving **Nazanin Zaghari-Ratcliffe** an **Iranian**-British dual citizen who has been detained in **Iran** since 3 April 2016 after being found guilty of "plotting to topple the **Iranian** government" to face imprisonment, isolation and separation from her husband and family, on her own.

Stephen Green of Christian Voice probably speaks for the majority of the populations when he writes in the September issue of Christian Voice...

'... the UK government is working to a scientifically led...' *Hollow laugh.*

'... step-by-step action plan ...' *Lurching from one incoherent decision to another.*

'... for tackling the pandemic ...' *The UK epidemic has been over since May.*

This is why there is no 'second wave'. Here is Stephen Green's graph to show this:

The epidemic is following the standard curve. It started with the first death on 6th March. It hit the peak on 8th April.

Moreover, the rolling seven-day average has slipped below the daily death-toll from abortion, 595, for four days in a row at this time of writing, looking at the figures for 6th May. In short, it's over.

As testing has increased in the UK more people have tested positive. Some of these will be people who had the virus but

recovered, some will be false positive and a small number will be new infections.

Paul Weston in his you tube report, **Covid Lies, Damned Lies & Statistics** analyses the official NHS data on deaths at 9th September. These completely contradict the Government figures and the media hype. The deaths are so low as to be irrelevant as a percentage of reported infections. He shows how the figures have been massaged and amended to show a 'second wave'. (A view reiterated by former Pfizer Chief Scientist – detailed below) See Paul Weston's report on <https://www.youtube.com/watch?v=aG1YIF8PH9E>

Covid Lies, Damned Lies & Statistics by Paul Weston – Screen shot of NHS Covid19 deaths by age group up to 4pm 9th September 2020 showing the actual new Covid19 cases in red. The total of under 59yr old deaths is 307 that is statistically

infinitesimal, although any death is important to the family and friends of the deceased.

We should also bear in mind Ivor Cummins professional analysis of the data in his report referred to earlier to see why

all these claims are intended to stoke up fear in the population, and to make us terrified and compliant. The purpose being to enable the Government to force everyone to have a vaccine that is not available, not effective and likely to kill the recipients! (Back to Globalist plan – detailed in previous newsletters and expert medical and scientific reports).

Chief Science Officer for Pfizer Says "Second Wave" Faked on False-Positive COVID Tests, "Pandemic is Over" Updated on September 22, 2020

For details go to

<https://hubpages.com/politics/Pfizer-Chief-Science-Officer-Second-Wave-Based-on-Fake-Data-of-False-Positives-for-New-Cases-Pandemic-is-Over>

A former Chief Science Officer for the pharmaceutical giant Pfizer says, "there is no science to suggest a second wave should happen." The "Big Pharma" insider asserts that false positive results from inherently unreliable COVID tests are being used to manufacture a "second wave" based on "new cases."

Dr Mike Yeadon, a former Vice President and Chief Science Officer for Pfizer for 16 years, says that half or even "almost all" of tests for COVID are false positives. Dr Yeadon also argues that the threshold for herd immunity may be much lower than previously thought and may have been reached in many countries already.

A telling admission from USA comes from the Centre for Disease Control who have said publicly that there Have Been More Suicides Than Death by COVID-19

More medical professionals are coming forward to speak out against the science behind 'facemasks' and 'social distancing' including Dr Sam Bailey (NZ), who also speaks about testing results. She, as a medical practitioner, says that up to 70% of people testing positive are asymptomatic, that is they show symptoms but never develop the disease.

<https://www.youtube.com/watch?v=lf6yBeXmzCo> She has also made a video about 'Why Are Covid-19 Cases Soaring In NZ? PCR

Test Update' you can see this on

<https://www.youtube.com/watch?v=kcONxyAJ8S4>

In addition, Dr Carrie Madej spoke via the internet, at the Trafalgar Square protest on Saturday 19th September. Her speech can be watched at

<https://www.youtube.com/watch?v=YAedCCItKCO>

In it she makes very clear how any new vaccine being created cannot be not medically proven and will contain modified RNA and modified DNA that will allow a genetic code to be inserted into our bodies. (This is the same process used by Monsanto in making GM crops). In the long term she says, it will cause more cancers, and auto-immune diseases. Tests have proved these at 100% of all animals injected. The International testing process is also not being followed. She makes clear that we should not trust any Coronavirus vaccine. The unique Identifier, Quantum Dot nano-crystals are made of a semiconducting material with diameters in the range of 2-10 nanometers (10-50 atoms) that light up under fluorescent light to show all your data – these nano robots (manufactured by sigmaaldrich.com) are sensors intended to record all personal information in your life. She makes the point that once this is your body there will be no way to get it out. The international patent is owned by Microsoft under licence 060606 (see previous newsletter for details). We asked thousands of people whether they would support a new national COVID lockdown.

This week, Boris Johnson introduced a new law preventing groups of more than six from meeting up. Some people now think this could result in a new national lockdown.

The results are in...

19.8% of people DO support a new national lockdown.

80.2% of people DO NOT support a new national lockdown.

Community and Countries United! We Say NO!

Senator Robert F Kennedy Jr plus many eminent clinicians, lawyers, religious leaders and celebrities including Judy Mikovits, Mary Holland and Dr Andrew Wakefield join together to say NO to both enforced vaccination, invasive and unsafe vaccines containing harmful enzymes and protein.

Children's Health Defence is proud to stand with organizations and countries as we work together to pushback on medical mandates, unsafe vaccines, and increasingly totalitarian governments. In the coming months, these issues will be front and centre in discussions around the world as people decide whether to cling tightly to their freedoms or blindly follow whatever edicts are put in place by corrupt government officials and profit-driven corporations. Protect your God given rights. For details see

Scripture reminds us to be clear on our response. It is either YES or NO. We are not to waiver in our reply. Paul writing to the Corinthian Church uses this teaching when explaining his change of plan to come to Corinth. In 2 Corinthians 1:17ff he writes:

¹⁷ You may be asking why I changed my plan. Do you think I make my plans carelessly? Do you think I am like people of the world who say "Yes" when they really mean "No"? ¹⁸ As surely as God is faithful, our word to you does not waver between "Yes" and "No." ¹⁹ For Jesus Christ, the Son of God, does not waver between "Yes" and "No." He is the one whom Silas,^[a] Timothy, and I preached to you, and as God's ultimate "Yes," he always does what he says. ²⁰ For all of God's promises have been fulfilled in Christ with a resounding "Yes!" And through Christ, our "Amen" (which means "Yes") ascends to God for his glory.

In James 5:12 ESV, the Lord's brother writing to the early Church to encourage them to stand firm in the face of suffering says: *¹² But above all, my brothers, do not swear, either by heaven or by*

earth or by any other oath, but let your "yes" be yes and your "no" be no, so that you may not fall under condemnation.

Let us not be fearful of the consequences of standing against the oppression and threats being made and about to become worse regarding Covid19 vaccination. Instead let us be ready to make our No, **no** for the glory of God, whatever our Government may do to us.

Global Elite flexing their muscles!

Posted Sep 7, 2020 by Martin Armstrong of Armstrong Economics.com

Belarusian President Aleksandr Lukashenko said last month via Belarusian Telegraph Agency, BelTA., that World Bank and IMF offered him a bribe of \$940 million USD in the form of "Covid Relief Aid." In exchange for \$940 million USD, the World Bank and IMF demanded that the President of Belarus

- imposed "extreme lockdown on his people"
- force them to wear face masks
- impose very strict curfews
- impose a police state

- crash the economy

Belarus President Aleksandr Lukashenko REFUSED the offer and stated that he could not accept such an offer and would put his people above the needs of the IMF and World Bank. This is NOT a conspiracy. You may research this yourself. He actually said this! – He let his NO be no!

Now IMF and World Bank are bailing out failing airlines with billions of dollars, and in exchange, they are FORCING airline CEOs to implement VERY STRICT POLICIES such as FORCED face masks covers on EVERYONE, including SMALL CHILDREN, whose health will suffer as a result of these policies.

You can see **“The Great Reset”** at work as global institutions apply their financial and advertising muscle to get the vaccine into people and reduce the world’s population, whilst taking control through AI and digital markers as I have previously reported.

Coming into Farce!

6 months of Doom & Gloom (A Christmas Carol!)

On 22nd September Boris Johnson announced his Christmas gift to the nation – 6 months of gloom, doom and despondency under a Covid19 lockdown. At the same time Scotland faces Hogmanay with tightened rules banning household visits, pub hours and working from home. (that will bring the house down!). In an Orwellian move redolent of the panic to create Nightingale Wards (a White Elephant) Theatres and hotels are to be transformed into ‘Nightingale Courts’ to help clear the backlog of cases. This will give chancellor Rishi Sunak a New Year headache as to where he can borrow the money as yet more £billions, that we don’t have, are thrown at the non-existent problem. Maybe the IMF or World Bank will now step in to save us!!!! (see article on Belarus above).

Here's a word of wisdom for Boris, the Chancellor and Parliament plus all the non-expert advisors...It is taken from the Book of the Proverbs of Solomon written over 2000 years ago. In Proverbs 3:5 we are told *Trust in the LORD with all your heart and lean not on your own understanding; 6 in all your ways submit to him, and he will make your paths straight.* **NIV**

Coming to a bank near you! AI/digital markers and cloud identity

AI is now on Bank agendas for approving online transactions. Face or fingerprint identity options being offered for speedy approval of online transactions. No need to enter details just click on item icon and then use identity and hey presto your bank account is lighter by the transaction amount.....

The World Health Organisation

Recently US President, Donald Trump, incensed over the WHO's involvement in covering up the Coronavirus outbreak in China, cut off USA donations (\$419m annually or 15% of WHO budget). Now an active campaign is underway to have the Democrats reverse this decision. It is interesting that the WHO also receives funds from the UK government. These funds are used to pump £m into our society to harm children. For example, the WHO sponsor programmes intended to create and support a curriculum for comprehensive sexuality standards, which, apart from teaching gender ideology, also teaches 'masturbation' to children from ages 0-4 (really??). It promotes abortion as a human right and lobbies governments to legalise abortion at any time and for any reason. The Who partners with 'Planned Parenthood' and other abortion activists as well as supporting the legalisation of prostitution and most satanic of all it seeks to force doctors to perform sex reassignment surgery on children. Not bad for a "Global Health

Organisation” and positively frightening for the Tribulation period when it will be in charge of all world health!!

The Totalitarian threat to our basic freedoms

The decision by Barclays Bank to close the accounts of Core Issues Trust at the behest of the LGBTQ lobby shows the power that activists now hold in our society. They are intent on closing down anything that does not fit with their warped and evil creed. Their power comes from the support and help that they receive from Mainstream Media, the BBC and Government departments, as well as the judiciary and the law. The activities of the LGBTQ lobby cut across our basic rights to choose for ourselves what goods or services we wish to purchase, partake of or support. The aim is to silence any criticism or dissent of LGBTQ ideology.

DARPA-Funded Implantable Biochip to Detect COVID-19 Could Hit Markets by 2021

An experimental new vaccine developed jointly with the US government claims to be able to change human DNA and could be deployed as early as next year through a DARPA-funded, injectable biochip.

This article contains information that is both startling and serious because it not only shows that any Covid19 vaccine will be dangerous to the population but that the mechanisms to enable DNA changes in humans and plant two-way digital interface nano particles is being developed for military use. Our prayers our needed to ask the Lord to stop this development in its tracks.

Raul Diego`s article is reprinted in part here. To read the whole article go to <https://www.mintpressnews.com/darpa-covid-19-vaccine-implant-mrna/271287/>

"The most significant scientific discovery since gravity has been hiding in plain sight for nearly a decade and its destructive potential to humanity is so enormous that the biggest war machine on the planet immediately deployed its vast resources to possess and control it, financing its

research and development through agencies like the National Institutes of Health (NIH), the Defense Advanced Research Projects Agency (DARPA) and HHS' BARDA.

The revolutionary breakthrough came to a Canadian scientist named Derek Rossi in 2010 purely by accident. The now-retired Harvard professor claimed in an interview with the National Post that he found a way to "reprogram" the molecules that carry the genetic instructions for cell development in the human body, not to mention all biological lifeforms.

These molecules are called 'messenger ribonucleic acid' or mRNA and the newfound ability to rewrite those instructions to produce any kind of cell within a biological organism has radically changed the course of Western medicine and science, even if no one has really noticed yet. As Rossi, himself, puts it: "The real important discovery here was you could now use mRNA, and if you got it into the cells, then you could get the mRNA to express any protein in the cells, and this was the big thing."

It was so big that by 2014, Rossi was able to retire after the company he co-founded with Flagship Pioneering private equity firm to exploit his innovation, – Moderna Inc., attracted almost a half billion dollars in federal award monies to begin developing vaccines using the technology.

As early as 2006, DARPA was already researching how to identify viral, upper respiratory pathogens through its Predicting Health and Disease (PHD) program, which led to the creation of the agency's Biological Technologies Office (BTO), as reported by Whitney Webb in a May article for The Last American Vagabond. In 2014, DARPA's BTO launched its "In Vivo Nanoplatforms" (IVN) program, which researches implantable nanotechnologies, leading to the development of 'hydrogel'. Hydrogel is a nanotechnology whose inventor early on boasted that "If [it] pans out, with approval from FDA, then consumers could get the sensors implanted in their core to measure their levels of glucose, oxygen, and lactate." This contact lens-like material requires a special injector to be introduced under the skin where it can transmit light-based digital signals through a wireless network like 5G.

Once firmly implanted inside the body, human cells are at the mercy of any mRNA program delivered via this substrate, unleashing a nightmare of possibilities. It is, perhaps, the first true step towards full-on transhumanism; a "philosophy" that is in vogue with many powerful and influential people, such as Google's Ray Kurzweil and Eric Schmidt and whose proponents see the fusion of technology and biology as an inevitable consequence of human progress."

Final Word belongs to the Apostle Paul. In his letter to the Philippians 3:11-17 he makes this powerful comment about the priority of Jesus in his life. ⁷ *But whatever were gains to me I now consider loss for the sake of Christ.* ⁸ *What is more, I consider everything a loss because of the surpassing worth of knowing Christ Jesus my Lord, for whose sake I have lost all things. I consider them garbage, that I may gain Christ* ⁹ *and be found in him, not having a righteousness of my own that comes from the law, but that which is through faith in^[a] Christ—the righteousness that comes from God on the basis of faith.* ¹⁰ *I want to know Christ—yes, to know the power of his resurrection and participation in his sufferings, becoming like him in his death,* ¹¹ *and so, somehow, attaining to the resurrection from the dead.*(NIV)

I hope that this helps us to place the pandemic in context and to place our trust in Jesus Christ for our salvation and future. Let us day by day look up for our redemption draws near. Amen, Halleluiah!

Doxology (from Jude)

²⁴ To him who is able to keep you from stumbling and to present you before his glorious presence without fault and with great joy— ²⁵ to the only God our Saviour be glory, majesty, power and authority, through Jesus Christ our Lord, before all ages, now and forevermore! Amen.
